The biggest fool thing that has happened during the small pox scare was the turning back of the Frey-Huff wedding party at Frey-Huff wedding party at Sharpsburg on Wednesday morn-ing. They would not permit the parly to drive through the town in a closed back. Ignorance and cowardice seems to be more prevalent and dangerous in Sharpsburg than small pox in Carlisle.

The Burley market this week has been more steady and the bidding more regular than last week, but prices have not been perceptly higher. There were times hast week when the bidding showed more snape and activity than has appeared this week, but these were more neglected hogsheads last week than this. Thursday's market was complainted to a trille stronger than on Welnesday. The low grades still sell relatively higher than the letter grades. Public efferings have not contained a large proportion of good leaf.

Almost, if not quite, the entire State has had good rains this week and transplanting is practically complete. In most rections an average neroge is set. There is some complaint of cut worms, but recent warm sunshine has probably eliminated them. The Burley arcage will probably not reach that of last year, but this reased mainly by planters in the Green River territory abandoning larley and going back to dark to lacce.

THE BUSY BEE CASH STORE

Has decided to throw their entire stock of merchandise upon the market for 30 days the most unheard of slaughtered prices ever before named in the history of Mt. Sterling.

Backward season, overhaying, overstocked and the crowded condition of our store has a caused this side. We are compelled to have money to meet our spring bills, and a great acrifice sale helps our customers and helps us.

We shall take each Department as it comes and spare not a We play no favorites. Nothing reserved. They must all go.

We commence this week with Clothing and Shoes. If you are familiar with our prices in these departments, you could not recognize them now. The cold steel of our keen-edged knife went to the quick, and not a single old price is left to tell the tale.

Suits that were \$15 to \$18 are now \$9 to \$11. Suits that were \$10 to \$12.50 are now \$6.50 to \$8. Suits that were \$7.50 to \$9 are now \$3.48 to \$4.98, and our lower-priced suits are almost thrown in to make up your bundle. Our Boys and Children's suits and pants have been cut so deep that you can't possibly recognize them. When we say half price we don't exaggerate. Call and see for yourselves; don't take our word for it. Bring your boys along, for you will wish you had. The suits can't stay with us long at these prices. We mean business.

We know it is death to competition to turn loose as big a stock of Shoes as we carry at prices we are turning them out at during this sale, but we can't help it. We are forced to do it. They must go or we must, and we prefer to stay.

Come and bny all the Shoes and Slippers you expect to need this spring and summer while sale lasts. You have been our friends, and we appreciate it. This is good advice we give. Profit by our loss while you can. This sale can't last long.

Watch our circular for sale date of other departments. They will all feel the knife before ase up. This is the verdict of the Busy Bee Cash Store corporation and can't be changed.

Hoping our many friends and patrons will avail themselves of this unprecedented chance to buy all the goods they need for months to some, we are,
